White-Glove Ordering & Delivery

Production and Timing

Production timelines vary by product, season, and order size. We invite you to inquire at the time of ordering so we may provide tailored guidance for your project.

Shipping and Delivery

Shipping is quoted based on destination, packaging requirements, weather considerations, and carrier rates. We will help you select the most appropriate shipping solution and can ship on your carrier account if provided at approval.

Local Delivery

Local delivery may be available depending on schedule, location, and order scope. Please inquire for availability and pricing.

Billing and Payment

Billing terms and payment methods are determined by project. We will provide clear details at the time of ordering.

Order Adjustments

Changes or cancellations must be submitted in writing. Work completed prior to cancellation will be billed, and modifications to orders in progress may affect timing and pricing.

Our Approach

Every order is handled with individual care. Our team works closely with you to manage timelines, logistics, and delivery, ensuring your chocolates arrive beautifully presented and right on time.
